Snow & Emergency Procedures

In the event of inclement weather, USTA Operations staff will make a decision as to whether it is safe and practical to provide transportation service. An effort is made to make the decision by 6:00 a.m. An announcement will be made in the morning on the following radio stations when it is deemed necessary to cancel service:

WKOK 1070 AM, WQKX 94.1 FM, WEGH 107.3 FM

WYGL 92.3 FM, WWBE 98.3 FM, 100.5 FM, 1240 AM, WFYY 106.5 FM

WMLP 1380 AM

WGRC 91.3 FM

Customers are expected to listen for these announcements when the weather is inclement. USTA staff **DO NOT** place individual calls to riders notifying them that USTA is closed. Because of the number of calls we receive asking about USTA's status, when practical, customers are asked to listen for the announcement rather than phone the office.

Families of riders unable to be delivered to empty homes are responsible to make arrangements for a person to receive their family member in the event the weather conditions deteriorate during the course of the day. In the event a decision is made to curtail service mid-day, announcements will be placed on the radio stations noted above.
